*except Christmas Holidays

active halton HEALTH IMPROVEMENT

HALTON
BOROUGH COUNCIL

Don't forget to sign up
for 2018/19 Healthy
schools Status.

Many schools in Halton have now signed up and are actively taking part in The Daily Mile, encouraging pupils and staff to be more active. More information can be found at thedailymile.co.uk. HIT and School games can support your school to get started.

If you are a school that already does Daily Mile think about the next step and encourage families to attend our Junior park runs. Ask about our sign up sessions where sports development can support parents to sign up at a parents evening and print bar code.

School Games Joseph.Obiro@halton.gov.uk

What a great first half term for the Halton School Games! We have got off to a flying start during the September term with a whole host of football competitions alongside Liverpool and Everton Football Club.

Firstly Year 1 & 2 Football competitions that took place for Runcorn schools in The Heath High School. The heath provided a fantastic facility and unbelievable young sports leaders that helped referee and manage the competition. They were fantastic throughout. Hugh congrats to Hillview Primary School who won the Year 1 LFC comp and to St. Martins who won the Year 2 LFC comp in Runcorn.

The Year 1 & 2 Widnes Football at Ormston Chadwick Academy, providing amazing leaders for all the competitions. OLPS won the Year 1 LFC competition. The year 2 competition was won by St. Basils who played amazing throughout the entire afternoon! A huge thanks to OCA and The Heath for facilitating both events!

The Years 3-6 Football comps for EFC in at The Heath and OCA. Well done to Pewithall (Year 3), St. Martins (Year 4), Ditton (Year 3 & 4), OLMS (Year 5), Lunts Heath (Year 5), Hillview (Year 6) and Moorfield (Year 6) who all won their respective comps for their year group. All will go forward to play in the county finals at Finch Farm with Everton Football Club.

Finally, Year 5/6 Widnes football league kicked off 6 games played over 2 days. Currently, OLPS sit comfortably at the top of the table with 16 points! All to play for in the last 4 games, good luck everyone!
