## Foster Carer Referral Reward Scheme

Most of our foster carers come to us through a recommendation. We are introducing a scheme for Halton Borough Council employees, where we will pay up to **£500** for successfully recommending a friend, relative or contact who subsequently becomes an approved foster carer for Halton's Fostering Service.

So if you know anyone who is interested in fostering, make sure to pass them a referral postcard and complete your details to receive your reward.

## How to Refer a Potential Foster Carer

We have referral postcards available for you. You can write your details on the back and then pass on to any people you feel might be interested in becoming foster carers for Halton Borough Council.

All they have to do then is email **refer@foster4halton.co.uk** with their name, address and telephone number and mention 'Referral Reward', or alternatively they can ring the recruitment team on **0800 195 3175**.

The recruitment team will always ask them where they heard about becoming a foster carer for Halton and as long as they mention your name then you will be logged as source of enquiry.

## Terms and Conditions

Each 'Referral Reward' is based on one fostering household (a single applicant/joint applicants living in the same household making one application)

### The payment is split into 2 stages:

**£50** When an Initial Visit takes place with the referred person

**£450** Following the referred person's official approval as a Halton foster carer

Halton Borough Council employees can make as many introductions as they wish. Referral reward scheme payments will be made via Payroll and paid within 30 days of each of the stages outlined above being completed.
