

# Change Your Life

*learn something new*

## **CACHE L2 Certificate Supporting Teaching & Learning**

**Duration:** 32 weeks

**Attendance:** One 5 hour session per week

A full year course for learners with little or no experience of childcare, who would like to work in a Primary, Secondary or College setting. This L2 qualification is the industry standard to work in a supervised role. This course is suitable for learners wanting to work as a Teaching Assistant.

### **Topics covered:**

- Child Development
- Health & Safety / Safeguarding
- Supporting positive behaviour
- Supporting learning activities
- Communication Skills

### **How will I be assessed?**

Throughout the course you will build up a portfolio of work which is assessed by your tutor against the qualification criteria. This will include observations of your performance in your work placement. You will be given supportive feedback from your tutor on a weekly basis to help you develop your skills and regular tutorials will ensure you are on track to complete your qualification. Successful learners will achieve the CACHE L2 Certificate in Supporting Teaching and Learning.

### **What are the entry requirements?**

- You must hold a Level 1 English and Entry 3 maths qualification. If you don't have this, you will need to take an entry assessment to demonstrate you are working at the level required and enrol on to a maths and/or English course.

You must be able to complete a 250 hour work placement at a school or nursery throughout the year. **Learners are responsible for sourcing their own work placement prior to the course commencing.**

You must also be willing to complete a DBS check at enrolment.

A Level 1 Childcare course or equivalent is not compulsory but would be advantageous.

### **Are there any costs?**

The course costs £60 per term, plus £30 for the cost of the qualification and fee remission may apply for those eligible (please ask for details). The cost of the DBS check is currently £44.

### **What will this course lead to?**

On completion, you would be able to enrol on a L3 Teaching Assistant course which is currently held at Kingsway Learning Centre and at Riverside College
