

In association with

Loneliness can affect anyone, young and old alike.

As part of the #HaltOnLoneliness campaign, we want to get primary schools in Halton Marching throughout March, during their Daily Mile.

Do your Daily Mile as normal and simply share photo's of you and your class to help us raise awareness. Maybe you can get your community group involved.

Share and help us put a #HaltOnLoneliness with @merseysidesport and The #DailyMile
