

# Using Oak National Academy to support Liverpool City Region Schools

After a year of disruption, we know you are faced with a mammoth task ahead of you: to identify and fill gaps in knowledge whilst still managing teaching and learning across the home/school divide.

Join this webinar for teachers from Halton, Knowsley, Liverpool, Sefton, St. Helens and Wirral, to learn more about:

- How to use Oak's curriculum maps and Teacher Hub to support in-school teaching, remote learning and catch-up
- New features to help you plan your curriculum and understand the progress of pupils
- Case studies demonstrating how teachers are using Oak in their schools to reduce workload and support pupils

There will also be a chance to ask questions.

Secure your place early by signing up and sharing with your networks:
