

Condom Distribution

axess sexual health outreach team are offering a condom distribution briefing that outlines how free condoms can be accessed.

To support professionals working with vulnerable groups this briefing aims to increase confidence, knowledge and skills to help signpost clients appropriately.

Aims of the briefing

This briefing will include a short zoom presentation aiming to expand knowledge and highlight the importance of talking about condoms and how they protect people and the value of discussing sexual health within your role. The briefing will cover;

- How condoms work to prevent unwanted pregnancies
- How condoms reduce the risk of STI's
- Where condoms can be accessed locally
- Local services and what they offer

At the end of this briefing session you will have gained knowledge and understanding around:

- ✓ Where condoms can be accessed for free and how
- ✓ Fraser guidelines
- ✓ How to order stock from axess outreach team
