

External Funding Team 20/21 Update Report

FACTS AND FIGURES

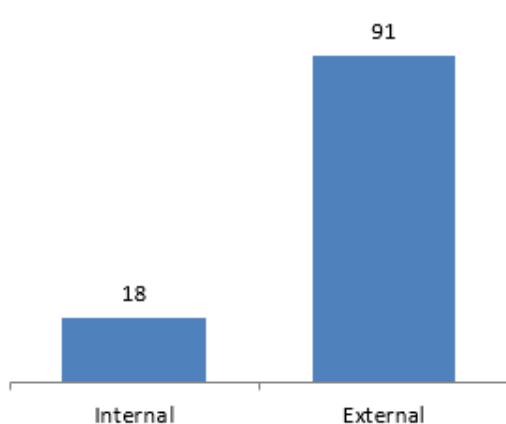

Total enquiries: **109**

Funding Bulletins

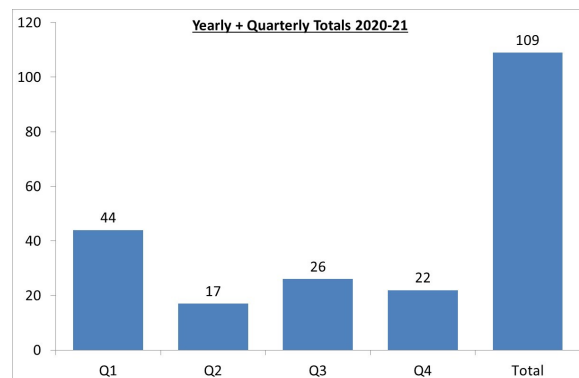

The External Funding Team produces monthly Funding Bulletins. These provide a snapshot of grant funding available at that point in time. There are 9 themes: Arts, Community & Voluntary, Environment & Heritage, European, Faith, Health, Schools, Sports and Youth. The Team also provides details of programmes with imminent deadlines.

To subscribe to any of the Bulletins please contact the Team

Role of the Team

Website/Social Media

Our website <http://www.halton.gov.uk/funding> you can find details on the team and the latest funding bulletins and access to online forms.

We are also now on twitter <https://twitter.com/fundinghalton> (@fundinghalton) which is updated with the latest funding opportunities and information.

Projects Supported in 20/21

Cultural Recovery Fund

The Team supported bids to the Government's Cultural Recovery Fund to support organisations to stay closed and still viable during the Covid pandemic. Four grants were received into the Borough, two for The Brindley and 2 for Catalyst Science Discovery Centre & Museum totalling £587,000.

Borough of Culture Match Funding

The Team had a remit to secure match funding for Celebrate Halton, our Borough of Culture year 2021 and has secured the following, with huge support from the Council's Community Development Team:

- Arts Council England - £15,000 research and development grant
- Arts Council England - £100,000 to deliver large-scale public events
- National Lottery Heritage Fund - £207,000 to deliver a Celebrate Halton's Heritage project centred around a heritage hub
- Town Centre Fund - £93,000 for Culture HQ at Runcorn Shopping Centre

Totalling - £415,000

St Pauls/Transform—Amazing Space

The team help secure 2 grants for the Partnership between St Pauls Church and Transform NW for the Amazing Space Project which is to re-do the interior of the church and turn it into an amazing joint community and church space.

- NCT Cornerstone Grants—£15,000
- FCC Community Foundation—£68,000

Totalling - £83,000
