16 Days of Action To End Violence Against Women and White Ribbon Day 25th November 2021!

White Ribbon Day and the 16 days to end violence against women that follow are asking people in their communities, organisations and workplaces, to come together, and say ‘no’ to violence against women. #AllMenCan is their leading message this year. It was developed in March when the murder of Sarah Everard brought women’s experience of men’s violence to the forefront of everyone’s minds. Make the White Ribbon Promise to never commit, excuse or remain silent about male violence against women.

Please help reach as many individuals, workplaces, communities and schools. Be active on social media follow us and spread the word using #WhiteRibbon #AllMenCan #MakeThePromise <https://www.whiteribbon.org.uk/>
