The Platinum Jubilee Fund

The National Lottery Community Fund has launched a new £3.5m fund for community-led commemorative events & activities to celebrate The Queen's Platinum Jubilee in June 2022. The Platinum Jubilee Fund will award grants of up to £50,000 to seventy projects that bring people together to celebrate, build relationships & create new opportunities and a legacy for future generations & the environment. The 3 areas of focus are:

- Across Generations: Strengthening relationships between generations & creating a legacy for future generations.
- Community Renewal: Supporting new opportunities for people to develop skills and experiences in their local community, as well as opportunities to bring people together in new ways, and in new or different places and spaces.
- Our Shared Natural World: Growing our care & action locally for the natural world.

Charities, voluntary & community organisation, schools, statutory bodies & other not-for-profits can apply for funding to cover costs such as events and activity costs, equipment and materials, staff costs, transport and utilities. Applications submitted by a school or an organisation working in a school should strengthen the community outside of the school too. It should benefit and involve more than just teachers, pupils and parents of pupils.

The deadline for applications is 5pm on the 15th December 2021, or once 700 applications are received, whichever comes first.
