

IT'S ALL OF OUR

RESPONSIBILITY

TO LOOK OUT FOR

Neglect.

Mia and Zoe are best mates in Yr 8. When Mia stays over at Zoe's house, Zoe's mum says they can stay out as late as they want. Zoe says her mum is out partying a lot so why shouldn't they do it too? She says her mum is OK with them drinking alcohol too.

Mia knows her mum would never let her do the things Zoe does.

Mia's beginning to think that Zoe's mum doesn't really care about her.

COULD IT BE NEGLECT?
