Referrals to Integrated Contact and Referral Team (iCART)

iCART is Halton's integrated 'front door' service. The team accept safeguarding referrals & early intervention requests. See more information [here](#):

From Tuesday August 30th, professionals will need to complete an online referral form. You can find the link to the form [here](#):

All information is considered by iCART alongside the Halton Levels of Need Framework and guidance is offered in line with the level of the Framework that the case meets. For more information on levels of need, [look here](#):

Contacting iCART:

The team can be contacted during the hours of 9am to 5pm from Monday to Thursday and 9am to 4.30pm on Friday, call 0151 907 8305.
