

Accelerator Funding

The governments accelerator fund for phonics is now available to all qualifying schools in England

Your school could access up to £9000 funding

The following state funded schools are eligible for Accelerator Fund intervention in 22/23

- Infant Schools
- Primary Schools
- Junior Schools
- Special Schools
- PRUs with primary age children

Priority is given to schools that meet criteria set out by the DfE, but most schools are now eligible for support.
