Workshop Information

Workshop 1

Holding Headteachers to Account – what does it mean and how should we do it?

This workshop explores the meaning of holding headteachers and senior leaders to account, how to support and challenge and ultimately contribute to school improvement. Holding the executive leaders to account for the educational performance of the school(s) and its pupils and the effective and efficient performance management of staff is the second core function of school governance.

Workshop 2

An Introduction to Maintained School Finance for Governors

The third core function of school governance is overseeing the financial performance of the school(s) and making sure that its money is well spent. This workshop will explore some of the key areas of maintained school finance that governors need to be aware of.

Workshop 3

Success in Improving Attendance in Halton

Hear case studies from schools in the Borough of Halton who have been able to adopt strategies to improve their attendance figures.
