## Leading Learning and School Improvement

Updated 5<sup>th</sup> February 2024

### **Aims of the Conference** are:

- to develop deputy & assistant headteachers so that they become more effective and insightful in their current roles
- for senior leaders to learn more about leading;
  - ✓ creating a culture for learning and accountability
  - ✓ ensuring effective budget management & financial accountability
  - ✓ effective whole school improvement strategies
  - ✓ how coaching can support school improvement

## **CONFERENCE PROGRAMME**

**Introduction by Professor Janet Lord, PFHEA, FCCT** | Faculty Director of Education | Faculty of Health and Education | Manchester Metropolitan University

### **Leading Learning and Accountability (part 1)**

What leadership factors need to be considered in order to create a positive culture of learning and accountability?

### **Budget Management & Financial Accountability:**

This session includes:

The educational business dimension, financial management from budget allocation to the end of year processes, budget reporting, Pupil Premium Funding, PE & Sports Grant, benchmarking & comparisons & accountability.

### **Leading Learning and Accountability (part 2)**
