

Early Help Strategy 2023 - 2027

“Creating a Culture of Collaboration”

Three Principles

- **A clear, simple point of access** for help and support through a building or on-line
- **Joined-up services and families** providing efficient and effective support
- **Strong relationships** the heart of everything that we do

1. Improve access to universal parenting support

2. Increase the involvement of fathers

3. Improve our evaluation of impact

4. Develop digital and online support

Right Help at the Right Time to the Right People

Working collaboratively as a whole system

Build community resilience and self help

Gaining the voice of children, young people and families

One Vision

Supporting families to nurture and protect every child and young person and raise their aspirations

Outcomes

- ✓ Families are engaged with appropriate support that can be seen to be making a difference; capacity for positive, effective parenting increased and they are accessing and engaging with services
- ✓ Child's developmental needs are being met, allowing them to make progress at a pace that is suitable for them
- ✓ Children have the right support in place to make progress
- ✓ Parent / carer demonstrates improved, positive parenting (e.g., improved parent / child interactions; positive attachment)
- ✓ Number of fathers engaged in early help services
- ✓ Number of practitioners across early help trained in using outcome star
- ✓ Number of people accessing the family hub digital platform
- ✓ Number of families using automated care pathways through the digital family hub
